The crazy universe behind the horizon

Ballerinas, Boots and Roller Skates Crochet Pattern

Design by K. Godinez

<http://amilovesgurumi.com/>

Material:

- crochet hook size 2,5
 - Catania wool from Schachenmayr in different colors
 - sewing needle, tapestry needle
- For the Roller-Skates:
- Cotton swabs or toothpicks
 - 8 beads with a larger hole. Slide cotton swab / toothpick through the hole and check if the hole is big enough.
 - glue

Size: The length of the boots, roller skates and ballerinas is 2.5 - 3.0 cm / 0,98 – 1,18 inches and they fit the animals in the Miniami house.

Abbreviations:

ch - chain

st - stitch

R - round or row

sc – single crochet

Number x sc – the number tells you how many times you make a single crochet
(or a dc, hdc ...) in each stitch

inc - make two sc in one stitch

dec - two stitches crochet together with a sc

dc – double crochet

rep - repeat all stitches until end of round

sl st - slip stitch

BLO – back loops only

sc with color change: change the color on this sc (when you make this single crochet stitch, grab the new color of your wool and pull it through the two loops on your hook).

Note:

Unless indicated otherwise, the parts are worked in rounds. You can start with 2 ch or make a magic ring. The rows should be marked with a thread.

Ballerinas (2 x)

2 x ch in desired color

R 01	6 x sc in second chain from hook, now mark the rounds with a thread	6
R 02	inc in each stitch	12
R 03	5 x sc, inc, 6 x sc	13
R 04	sc in each stitch	13

Now start to crochet in rows:

R 05	ch, turn, 9 x sc, ch, turn	10
R 06	9 x sc, ch, turn	10
R 07	9 x sc, ch	10

Turn the inside of the shoe to the outside and crochet the two rear sides together with 4 x sl st
Cut and sew the thread.

Turn the shoe again (the inside to the outside) and start with a different color at the back of the shoe (see picture):

6 x sc, 3 x dc in one stitch, 6 x sc, close the round with a sl st, cut the thread and sew it.

**Boots (2 x)**

5 x ch in desired color

R 01	start in second chain from hook, inc, 2 x sc, 3 x sc in one stitch, turn the piece and continue crocheting on the bottom side of your chain: 3 x sc, mark the round with a thread.	10
R 02	continue crocheting in a circle: 2 x inc, 2 x sc, 3 x inc, 2 x sc, inc	16
R 03	BLO: sc with color change , 6 x sc, 4 x inc, 5 x sc	20
R 04	10 x sc, inc, 2 x sc, inc, 6 x sc	22
R 05	8 x sc, 5 x dec, 4 x sc	17
R 06	6 x sc, 2 x dec, sc, 2 x dec, 2 x sc sl st, cut the thread and sew all the threads	13

From here you start to crochet in rows.

Take a different color and count three stitches back from your wool marker (**last sc**) and start to crochet in the third stitch:

R 07	10 x sc, ch, turn	10
R 08	10 x sc, ch, turn	10
R 09	10 x sc, ch, turn	10

Pull the thread through the loop and cut it

This is your shoe! Only one thing is missing: the shoe tongue 😊

Shoe tongue: start in the first stitch from the right side

R 01 3 x sc, ch, turn

R 02 3 x sc, ch, turn

R 03 3 x sc, ch turn

Cut the thread and sew all threads

Finally, make the laces with the help of a tapestry needle.

Roller Skates

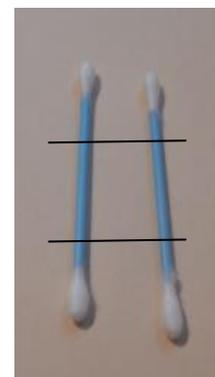

First, crochet the boots as described above. For the roller skates you need 8 beads with a large hole in the middle and two cotton swabs or toothpicks.

Start at the back of the shoe and crochet inside the front loop stitches of R 03: 16 x sl st

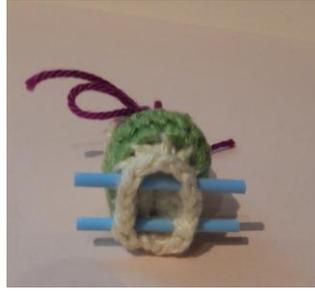

Cut the cotton swabs or toothpicks for the required length.

Hold the swabs to the shoe to find out the right length.
(I needed about 3 cm/1,18 inches)

Slide the shortened cotton swabs through the chain stitches.

Put on the outside of your swabs some glue, slide them inside your beads and let them dry.

Have fun crocheting!
