Material:

- crochet hook size 2,5
- Catania wool from Schachenmayr in gray and turquoise
- fiberfill
- safety eyes 4,5 mm (0,18 inches) or you can embroider the eyes
- sewing needle

Size: The baby has a height of 7 cm (2,76 inches)

Abbreviations:

ch - chain

st - stitch

R - round

sc – single crochet

Number x sc – the number tells you how many times you make a single crochet
(or a dc, hdc ...) in each stitch

inc - make two sc in one stitch

dec - two stitches crochet together with a sc

sl st - slip stitch

sc with color change: change the color on this sc (when you make this single crochet stitch, grab the new color of your wool and pull it through the two loops on your hook).

Note:

Unless indicated otherwise, the parts are worked in rounds. You can start with 2 x ch or make a magic ring. The rows should be marked with a thread. Start to make the arms and the trunk first, because they will be crocheted to the body.
